has so far 'submitted four reports covering 19 PSUs but of the 50 referred to il. Of these the last report covering lour PSUs has been submitted in August, 1997. Besides recommending disinvestment/strategic sales at varying levels, the Commission has also made general recommendations relating to autonomy, corporate govei>ance, etc. On the basis of the recommendations made by the Commission, the Government have decided to disinvest partially its equity shareholding in three companies during 1997-98^ i.e. Gas Authority of India Lid., Mahanagar Telephone Nigam Ltd. and Container Corporation of India and defer, at present, disinvestment in four PSUs, namely, ONGC Oil India Ltd., Manganese Ore India Ltd. and RITES. Implementation of the various recom-meudations of the Disinvestment Commission is a continuous process.

Statutory body of experts for revising tiio rates of royalty

2095. SHRI BRAHMAKUMAR BHATT: Will the Minister of MINES be pleased to state:

(a) whether Gujarat Government has represented to streamline the existing system t)f departmentally fixing of rates of royalty;

(b) whether it is proposed to set up a statutory body of experts to revise the rates of royalty;

(c) if so, the details thereof;

Cd) whether any decision has been taken to revise the rate of royalty for lignite every three years;

(e) if so, when the last rate of royalty wag revised and implemented; and

(f) if not, the reasons therefbr?

THE MINISTER OF STEEL AND THE MINISTER OF MINES (SHRI BIRENDRA PRASAD BAISHYA): (a) Yes, Sir.

(b) and (c) There is no such proposal to set up a statutory body for revision; of royalty rates. Conventionally a Study Group is set up for revision of rates of royalty from time to time. The Study Group normally has representatives from different States, Industry, Indian Bureau of Mines, etc.

(d) to (f) Revision of rates of royally for lignite is also guided by the provi- sions of Section 9(3) of the MM (R&D) Act, 1957. Royalty on lignite was last revised with effect from 21-7-1990. Ministry of Coal, the nodal Ministry in this regard, has already initiated action for review of royally on lignite.
